Applications for the Direct Investment Option (DIO) can only be made via MemberAccess at legalsuper.com.au. Investment in the DIO is subject to investment minimums. Please refer to the *Pension PDS* for further details.

We recommend that you seek appropriately qualified professional advice if you need assistance in making an investment choice.

When an investment switch will occur

In the event that you elect to switch investment choices, your investment switch will occur using the next available unit price.

Requests to switch investment option(s) received before 4pm (AEST)* on a National Business Day (i.e. a week day that is not a national public holiday or the NSW Queen's Birthday weekend or another day at the Trustee's discretion) will receive the unit price of that day.

Your account records will be updated two National Business Days after the request.

* The 4pm (AEST) cut-off applies to requests received via all channels (e.g. online, forms).

The investment switch detail above does not include investments within the DIO, but does apply to transfers to and from the DIO.

Any funds transferred from the DIO will be applied proportionately across your current investment option(s) selection.
